

Paediatric ophthalmology position

SWEDEN

Job Description

We are looking for ophthalmologists with experience and/or subspecialization in paediatric ophthalmology to Jönköping county, Sweden.

Requirements

Position: Head-doctor / specialist doctor

Requirements for education: Specialist exam in Ophthalmology or Paediatric Ophthalmology from within the EU.

A few years' experience of working in Paediatric Ophthalmology is desirable.

Good theoretical knowledge in Paediatric Ophthalmology, and at least the required base in specialist competence. Strabismus surgery competence is also seen as extra positive.

It is important to have a will for development and interest in the area.

If you are active in research, it is an advantage. Jönköping Region has its own active research organization, Futurum.

Benefits

Salary for staff with Swedish legitimation

Specialist with proper skills in Swedish (C1-level) earns 70-90.000 SEK (7-9.000 EUR).

At the beginning of your employment, you will work as a medical assistant with a salary of **SEK 51,500 / month** with a general fixed term employment as a form of employment during a 6-months' period as the language develops and the introduction takes place in the workplace.

When Swedish licence to practice is issued by the National Board of Health and Welfare and the introduction are completed, the employment turns to a permanent service and a salary setting takes place as specialist doctor according to agreement.
