

**BRAINS CONSULTING – a leading Romanian company in recruiting IT specialists**

## **Python Developer (m/w) in Berlin**

for our Customer in Berlin, we are looking for a Python Developer (m/f) for Browser - Only Operating System. Our Customer combines the advantages of start-up culture and speed with the resources and sales network of a big parent company.

As a Web Developer, your strength lies in the development of modern web applications. This includes writing ajax web applications, using WebSockets and socket.io and creating interactive, responsive, touch-enabled user interfaces. You like to work in an agile way, work in a team, come up with clever solutions and get stuff done. You are free to work from home once a week and whenever required. What counts is the results.

### **Skills Required:**

Required skills

- **5+ years experience as a developer**
- Very good knowledge of HTML/CSS/JavaScript
- Experience with jQuery, WebSockets and socket.io
- Python scripting skills
- Experience with Firefox customization and the add-on SDK
- Testing methodology and frameworks (unit tests)
- Good English skills

Optional skills

- Experience with Django
- Experience with Tornado Web Server
- Experience with touch interfaces in HTML and responsive design
- Knowledge of Ubuntu (currently 12.04 64 bit)
- Knowledge of Git and Gitflow
- Oral skills in German

### **What you can expect:**

- To work within an exciting, growing, and increasingly successful business
- Training and support to grow in your development career
- A dynamic and challenging working experience

### **The Package:**

- **Competitive Salary + Fantastic Benefits**
- Job Type: Permanent, Full-time
- Flexible working hours
- The opportunity to join a growing business with a great team culture
- 20 days holiday increasing by 1 day for each year of service up to 25 days
- Corporate Gym membership

- Free drinks, snacks, fruit etc.
- Optional pension and healthcare scheme
- Fun, collaborative environment – days out, sports events etc.
- For more information and to answer your questions please contact us by email.
