Senior Software Developer - Bristol, UK

Description

We are recruiting for a global specialist in Cloud based applications, products and services a Senior level Software Developer with a passion for cutting edge technologies! It is a fantastic opportunity for a Software Developer to join one of the best SaaS technology companies in Bristol.

Your responsibilities:

Your responsibilities as a Senior Software Developer will include:

As a Senior Software Developer you will be primarily working on the CASCADE – the provisioning and billing platform. This is made up of a number of systems ranging from front-end websites to backend provisioning components, requiring a wide range of technical skills (C#, ASP.NET, MVC, Web API, and Entity Framework etc.).

Skills Required:

- **.NET platform – including C#, ASP.NET, MVC, Web API, and Entity Framework**
- Object oriented programming, inc. design patterns, SOLID etc.

- HTML, CSS and JavaScript (including frameworks such as Bootstrap, Angular, Aurelia etc.)
 - Web services (WCF) & RESTful APIs
 - SQL Server and T-SQL
 - Version control – e.g. Git
 - Experience with iterative development methodologies, especially Scrum
 - Operational/support/maintenance experience on an enterprise system
 - Microservices, including real time monitoring experience
 - Event sourcing & CQRS
-
- Working knowledge of the Azure platform – including Azure Message Bus
 - PowerShell scripting
 - SQL reports
 - Automated testing experience, TDD and/or BDD, unit and integration tests

What you can expect:

- To work within an exciting, growing, and increasingly successful business
- Training and support to grow in your development career
- The opportunity to play a key role in shaping the CASCADE product
- Experience in a wide variety of exciting and valuable technologies
- Authority to make decisions and work with key stakeholders across the business
- A dynamic and challenging working experience

The Package:

- **Competitive Salary + Fantastic Benefits**
- Job Type: Permanent, Full-time (37.5h per week)
- Flexible working hours
- The opportunity to join a growing business with a great team culture
- 20 days holiday increasing by 1 day for each year of service up to 25 days
- Corporate Gym membership
- Free drinks, snacks, fruit etc.
- Optional pension and healthcare scheme
- Bristol office-based position with free parking.
- Fun, collaborative environment – days out, sports events etc.
