

## C# Developer - Stockport

- Location: **Greater Manchester , UK**
- Salary: **£35000 - £50000 per annum + Benefits**
- Job type: Permanent

Our client is a leading company based in Stockport. Due to recent growth, they are looking for a three skilled C# developers to join their team. The company takes a very Agile approach to software development; working on a TDD/BDD approach as appropriate, encouraging collaboration over process and fostering positive relationships between the teams and the business as a whole.

The successful C# developers will have the opportunity to contribute towards the direction of current and future projects. They will also contribute towards the analysis, design, coding and testing of all their projects.

### Key technical skills:

- C#
- Full stack .NET
- TDD/BDD
- Agile development experience
- WCF/WWF
- SQL Server

For the right candidate, our client is willing to pay a generous salary with a good benefits package. If you are interested in the role and would like to apply, please send us your for immediate consideration to [office@brainsconsulting.ro](mailto:office@brainsconsulting.ro) .
