

Brains Consulting is recruiting:

Senior Game Designer – Denmark

We're looking for a senior designer to join our Client in their mission to make unique, creative games that capture the hearts of fans around the world!

DESCRIPTION

Hello! Be part of the team behind Subway Surfers - the most popular mobile game of all time, with 1.5 billion downloads!

The game design department is a diverse group of men and women who love games, and most importantly, love the games they make. They're looking for a senior designer to join them in their mission to make unique, creative games that capture the hearts of fans around the world!

REQUIREMENTS

You:

- are collaborative and diplomatic

- are self driven - can you manage your own time?
- are self motivating
- are able to think creatively out of the box to explore different approaches for solving a problem
- are excited to work with globally beloved IP

Requirements:

- Minimum **5 years experience** as a game designer working on games with live updates
- Shipped at least one mobile F2P title
- Proven experience balancing economies
- Experience working with external publishers

Nice to haves:

- Experience on a mobile title with over 1 million DAU
- Experience using Unity
- You've been lead designer on at least one shipped F2P mobile title

BENEFITS

What they can brag about (other than this is the coolest job(s) ever!!):

- The best office location in Copenhagen
- A chance to do the work of your life
- An informal and creative culture where everybody is heard
- Anyone can pitch the next hit SYBO game - including you!

We also have...

- Health insurance for every employee
- A pension plan
- Healthy lunch buffet
- Currently 17 nationalities
- And a lot of fun - also when working

If you have any enquiries or to apply, please forward your CV at
