

internal medicine specialist (with emergency medicine experience) – SWEDEN

Description of work at the actual clinic / health center

We are looking for internal medicine specialist doctors to the internal medicine acute ward at Gävle county hospital, with a wide range of patients - cardiology, infectology, gastroenterology and endocrinology. There are specialist doctors available in every field who can be consulted if necessary. The ward has 22 beds.

Specialist degree in internal medicine and experience in emergency medicine is necessary.

The population of the catchment area

Gävle municipality has about 100 000 inhabitants.

Number of doctors at the department

2 specialist doctors, and 3 residents/medical doctors doing their practice.

Plans for the future (if the activity will be developed in any particular direction, organizational changes

etc.) A diagnostic center with internal medicine consultation will be opened in May 2018 in Gävle, and an acute internal medicine ward (MIMA) is planned to be opened in 2019-20.

Years of experience

We prefer that you have at least 3 years of experience after specialisation.

Special knowledge and skills or special interests which are important for the job
We are in a need of specialist doctors in internal medicine who have experience in emergency medicine.

Important personal characteristics

The ability for teamwork is essential.

On-call duties and their organisation

During the first 3 years there are no duties. However, if you wish you can apply during this period, but only if you are able to communicate and work unsupervised.

The minimum salary for the first six months and the compensation for on-call work
Starting salary is minimum 41 000 SEK while you are waiting for your licence to practice, after you receive it is raised to min. 45 000 SEK. Minimum salary after acquiring full working competence: from 62 000 SEK, subject to individual evaluation. It usually takes around one year, the decisive factor is how quickly you learn the language and get used to the local practices and working methods. This is always evaluated independently. After some years if you become a head physician salary becomes at least 67 000 SEK. (1 SEK = approx 0,1 EUR)

Services offered by the employer and Partner

→ During the personal visit which is part of the interview process, the cost of travel and

accommodation is financed by the Employer / Partner.

→ 6 months long, free Swedish course, financial support during the course (the amount is topic of negotiation)

Informal help during the application for Swedish license to practice, supervision of the process

→ 2 days long free Swedish legal and social training

Integration assistance (assistance in registering at tax authority, opening bank account, etc.)

→ Assistance in the organization of moving and in apartment-seeking

Documents required for application:

- Detailed, professional English CV

- scanned version of license to practice in home country with English translation (no official needed)

- scanned version of medical and specialist certificates with English translation (no official needed)

- two English-speaking reference persons who can be reached by phone

Location: Gävle is a flourishing city, 80 minutes from Stockholm and 60 minutes from Stockholm Arlanda airport.

If you are interested please send your detailed professional CV and the other necessary documents to cv@brainsconsulting.ro until 19. March.
