

Oncologist positions in Denmark

with FREE language course

Denmark

Job Description

Staff specialist, Oncology

Where?

You will work in a Danish hospital with stable surroundings, attractive working conditions, possibilities for professional development, a better work-life balance and a future life and career in one of Europe's top welfare states, in Scandinavia.

The department of oncology covers a catchment area of 0,5 million people and works together with a university hospital.

Cooperation and development is highly valued at the department. In order to strengthen development, doctors, nurses, secretaries and other employees are offered a great amount of further education.

Apply now if you are:

- Specialised in Radiotherapy with experience in chemotherapy (or its equivalent as in EU Directive 2005/36/EC)
- Fluent in English
- Motivated for living and working abroad
- Willing to work with chemotherapy

What can you expect?

- Permanent contract
- **€ 104.000 minimum yearly salary (including pension benefits)**
- 37 hour working week
- 6 weeks paid holiday
- **Free 5 months intensive language course for you and your family**
- **Monthly € 800 settlement assistance, plus € 70 extra support per child, free accommodation and childcare in Budapest during the language training**
- A **free trip** to Denmark prior to the language course, where you will have the opportunity to visit your future work place and living area
- Support in integration, in authorization and administrative processes, in finding kindergarten, school, flat, house
- And much more
