Additional Information

It's a job within a company where all the drivers are well respected and treated well by other colleagues and the owner of the company also. The job itself is about collecting pallets with fruits and vegetables and bringing them to a auction or distribution centre. So it's NO supermarket distribution!

There is a lot of manoeuvring, but not in crowded places. It's possible to work 55 hours within 4 working days and have a day free extra during the week or work more than 55 hours over 5 working days and for the ones that are very diligent, they can also work on Saturday, which is paid 150%.

We can arrange housing and insurance. The driver than is insured in whole Europe and can use (and even his family when paid a little extra) medical help anywhere in Europe. It's not an hard job, but the driver must be 'quick thinking and acting', hardworking and have good communicative skills (English or German). Work starts mostly between 6.00 and 9.00 AM. Start of the job is immediately.

ATENȚIE!!! Inainte de angajare se va sustine un interviu cu angajatorul in care se verifica cunostintele conversationale de limba engleza / germana ale candidatului.
