

Nurses

Psychiatry nurse - Östergötland

Specialised Addiction Care, Östergötland

Addiction Clinic at Vrinnevi Hospital, Norrköping

Requirements for education

Legitimated nurse with further education within Psychiatry would be an asset.

Job description

Legitimated nurse in outpatient and / or inpatient care.

Required experience

Experience in working in both inpatient and outpatient care.

It is an advantage if you have worked in addiction care (see more: description of the current clinic / health centre).

Competencies and skills required for the position

Security in his / her nursing role.

Preferably knowledge to work in Psychiatry and Addiction Care.

Personal qualities required for the position

Good and friendly treatment.

Very good ability to collaborate and work in a team together with other professional categories.

Good ability to act as supervisor in daily work.

On-call duty

The position includes serving by a schedule and applies to both night and day service.

Other requirements

Experience in supervising nursing students and other students during their education would be an asset.

Gross Salary / month for staff with Swedish legitimation

25 800 SEK - for nurses with basic training with less than one year's experience.

*Specialist-trained nurses are remunerated based on experience and the clinic's scheme for salary (**31-36.000 SEK**).*

Planned date of employment

As soon as possible.

Description of the goal of activity

Our picture of objectives

Carry out good Addiction Care that is health promoting, responds to the needs of the population and mental health and which at the same time provides a good work environment for the staff.

Our mission

The Addiction Clinic shall be responsible for the assessment and treatment of patients with addiction and dependence, where the problems are of such scope and intensity that it requires the specialist healthcare resources.

Description of the clinic

The Addiction Clinic is a part of Local Medical Services in eastern Östergötland, and a business for specialized addiction care. The clinic conducts both closed and outpatient care. Department 28 is an Emergency Care Department with 6 care places, primarily for withdrawal treatment. In conjunction with the ward, there is an observation unit with 3 places for medically supervised sobering up. The on-call reception is open 24 hours a day. The Addiction Department assesses, investigates and treats people who have complex addiction

or dependency states. The Addiction Clinic has a big LARO program (Drug-assisted rehabilitation at opiate / opioid dependence). The clinic works well with the municipalities in the part of the county in question. The clinic cares for people of all ages.
