

Ophthalmology Specialist

in Kalmar County / Eye Clinic

SWEDEN

Description of the current workplace / healthcare centre

Eye clinic, , outpatient reception, surgical division, 2 care places

The Hospital is an emergency hospital with obstetric care and maternity ward which is located a stone's throw from the sea and northern Kalmar county 's centre. With broad competence and high specialization, we provide good care and security for the citizens of northern Kalmar county. Every day, committed employees work for high medical quality, availability and satisfied patients. The hospital has about 160 somatic and 60 psychiatric care places. We have around 1,500 employees, with meaningful and developing work.

We offer a well-functioning eye clinic which has about 45 employees. The catchment area is northern Kalmar county with approximately 100,000 inhabitants. Our mission is to provide specialist healthcare for eye diseases, which includes investigation / diagnosis, medical-surgical treatment. The reception is well equipped with new fundus cameras and Humphrey perimetry on all three locations, there is OCT camera in the city Hospital. In the day and surgery unit there are two operating theatres and laser operations. In the surgical department

in Västerviks, approximately 1150 cataract operations are performed per year and approximately 1600 intravitreal injections and approximately 250 outpatient operations. We have two employees who perform glaucoma surgery.

We are here when the citizens need us, we put the patient's health in focus, we are specialists in care and health.

in various professions: medical secretaries, sub-nurses, nurses, orthopists, opticians and doctors
