### **Additional Information**

It's a job within a company where all the drivers are well respected and treated well by other colleagues and the owner of the company also. The job itself is about collecting pallets with fruits and vegetables and bringing them to an auction or distribution centre. So it's NO supermarket distribution! There is some manoeuvring to the dock, but not in crowded places. We can arrange housing and insurance. The driver than is insured in whole Europe and can use (and even his family when paid a little extra) medical help anywhere in Europe. It's not an hard job, but the driver must be 'quick thinking and acting', hardworking and have good communicative skills (English or German). Work starts mostly between 6.00 and 9.00 AM. Start of the job is immediately. For drivers who would like to work in a system, there is a possibility to sleep in the truck during the working period. The company has its own parking place in Venlo, with all the needed facilities. Doing so, the salary will be higher with approx. € 60,- net/week.
