

Psychiatry Specialist Doctor

Psychiatry Clinic in Norrköping

SWEDEN

Requirements for education

Specialist in Psychiatry with interest in with an interest in 24-hour care. If you also have an interest and experience in educating and supervising younger colleagues, it is an advantage.

Job description

We have two positions:

- 1. outpatient care**
- 2. inpatient care**

As a psychiatrist at both the out-and inpatient care of the clinic, you are offered work on a well-functioning workplace with a very good working environment where the patients' health and the well-being of the employees are at the centre.

Required experience

At least 2 years of experience in clinical work after graduation.

Must be able to work independently from an outpatient psychiatric perspective, where we work with many different diagnostic groups (see more: description of the clinic / health centre).

Experience in supervising younger colleagues.

Ability to work both in teams and individually.

Be involved in development work both at the unit and within the medical group.

Competencies and skills required for the position

To be able to work independently with different types of patient groups.

To be involved in the work of leading and supporting younger colleagues and other employees in the team.

Must be calm and confident in working both independently and in team.

Personal characteristics required for the position

As a person you are self-sufficient, stable, and structured. You should also have a good cooperative ability to contribute in a good way to the teamwork at the clinic. Great emphasis will be placed on the personal characteristics in this recruitment.

On-call duty

Included in the service.

Psychiatry - Östergötland

Other requirements

Knowledge and experience from IT in healthcare, such as primarily data diary.

B driver's licence.

Salary for staff with Swedish legitimation

We employ only specialists, introductory salary 58 000 SEK (5500 EUR), for independent work at least 68 000 SEK, approved on-call based on compulsory care at least 72 000 SEK. (6900 EUR)

Planned date of employment

As soon as possible.

Description of the goal of activity

To offer a safe and secure care where each meeting is to create value for the patient and its relatives.

Description of the clinic

The Psychiatric Clinic in Norrköping is staffed by a specialist medical team and several ST doctors. In addition, the clinic always has 8-10 AT doctors and ST doctors in rotation located at the clinic. The clinic consists of two general psychiatric inpatient wards with a total of 27 care places, of which 6 are psychiatric intensive care places. The Psychiatric Clinic in

Norrköping, is part of the Psychiatric Centre and also consists of two outpatient clinics, both located in the centre of Norrköping. We have a psychiatric emergency unit, open around the clock, with observation sites and mobile team. At the outpatient clinics, specialists work together with ST doctors and AT doctors (trainees). The outpatient clinics offer assessment, investigation, treatment, support, and intervention in more severe psychiatric conditions, such as psychosis, bipolar disorder, personality disorder, severe anxiety problems and serious depression. We also offer investigation, support and treatment in autism spectrum disorders and ADHD / ADD.

Further information

The Psychiatric Clinic in Norrköping is part of our countywide Psychiatric Centre.
