

Specialist or Resident Doctor - Radiology

- Denmark -

Specialized in Radiology, or will finish your residency soon
+ Free Online Danish courses

Where?

You will work in a highly specialized radiology department in Denmark's public healthcare sector.

The radiology department works with image-guided diagnostic and therapeutic procedures ranging from ultrasound, to magnetic resonance imaging (MRI), computed tomography (CT) scan and X-rays besides many other procedures. As a radiologist, you will work closely together with many other medical specialists from other departments, besides radiographers and with nurses.

Teamwork and patient-oriented perspective is highly appreciated in the department.

Apply now if you are:

- **Specialized in Radiology, or will finish your residency soon**
- You have interest or experience in mamma radiology
- Motivated for living and working abroad
- Able to take part in our free intensive language course
- Proficient in spoken and written English

What can you expect?

- Min. yearly salary: **108.000 Euro** (including pension benefits)
- 37 hour** working week
- 6 weeks** paid holiday
- A free, intensive language course and Danish Medical Language Programme**
- 1000 Euros settlement assistance per month** during the ONLINE Danish language course to work start
- free **Language course for your spouse and elderly children**

- Access to our candidate network in Denmark
- Information on Danish tax matters
- Hotline service for urgent questions
- Extra Danish classes after arrival to Denmark
- Coaching, regular evaluation and assistance in integration process
- Permanent contract regulated by the Danish collective agreement

ONLINE COURSES:

To provide the necessary teaching for our candidates, our Partners switched the teaching model to online teaching.

This means some new things for the candidates.

- 1) it is not necessary anymore to come to Budapest, but the course still super-intensive so the candidates have to prioritize the language teaching
- 2) the teaching hours are flexible as same as the date of the course start
- 3) the maximum amount of candidates per course is 4-5 participants
- 4) ***the length of the course is minimum 4-5 months and a minimum of 300 teaching lessons (45 minutes)***
- 5) the candidates still have to pass the necessary exams and ***participate 85% of the online classes***
- 6) the candidates still entitled for the ***€800/month*** settlement assistance during the course, maximum 5 times
