Overtime percentages Basic overtime: 130% / Saturday: 150% / Sunday: 200%

Total working hours per week

~ 55 (between 10 – 12 hours a day – working, not only driving)

Collective Labour Agreement TLN (www.tln.nl)

Extra compensations/salary Night surcharge = + 19%

Weekly salary after costs (net)

€ 925,- net (on the bank account) = € 4.000 net/month Weekly costs – paid by the company

Additional Information

For our client we are looking for experienced, cool headed, communicative skilled and solution oriented CE truck drivers. The main responsibility is the (refrigerated) transport of fruits and vegetables from the farmers in Holland to the warehouses, markets and distribution centres.

The used trucks are quite new, no old ones in the fleet. The equipment is max. 3 years old.

Most of them are DAF XF, some Volvo`s and some Scania`s.

During the day there is a lot of communication with the planners, which are 24/7 available for the drivers.

Most communication goes by phone (the driver receives a compensation for this € 23/month on top of his salary) and transfix board computer system. **Very good command of the English language is absolutely necessary.**

ATENTIE!!! Inainte de angajare se va sustine un interviu cu angajatorul in care se verifica cunostintele conversationale de limba engleza ale candidatului.

FIRMA BRAINS CONSULTING NU PERCEPE TAXE SI COMISIOANE DE LA APLICANTI !!!!
