

Brains Consulting is recruiting:

Senior iOS Developer - SDK - Remote

Remote 100%

San Francisco - based startup

Would you like to join the most innovative video, high tech team and work with guys who invented *Stories* as we know them today in Instagram or Facebook?

Now, they are expanding their web development team, we are helping the CTO to hire the right people on the board.

Most of the team members are open source contributors, so a very large bunch of senior software developers.

The Company offers a great salary and also stock option plan.

This May Be The Best Job Opportunity You've Seen In The Last 12 Months!

Job Description:

Senior iOS Developer – Swift, Objective-C – Very Senior Team – High-tech Video Platform

Help contribute to our iOS SDK.

Design, implement and architect the functionality of our mobile SDK.

Collaborate with the teams to create a high performance and robust video product.

Optimize the SDK on the iOS platforms.

Deliver high quality work on schedule.

Requirements

Proficient in iOS mobile app development (Swift, Objective-C)

3+ of full-time native iOS development experience

BS/MS degree in Computer Science or equivalent majors

Good understanding of software development principles, capabilities and limitations of mobile platforms.

Passion for building great mobile experiences and solving hard performance challenges.

Benefits

This May Be The Best Job Opportunity You've Seen In The Last 12 Months!
